EXPERIENCE

Computer Instructor (Part-Time)

[Disha Computer Institute](#) | 02/2026 - Present

- Teach Python and C programming with emphasis on logic building
- Mentor students in projects and debugging
- Deliver practical sessions on programming fundamentals and databases

Web Development (WordPress) Intern

[Swastik Enterprise \(Druve Media\)](#)

EDUCATION

Bachelor of Engineering (Computer Engineering)

[University of Mumbai](#) | 2025 - Present

Diploma in Computer Engineering

[MSBTE](#) | 2022 - 2025

- 72.34 / 100.00 (%)
- Final Semester: 74.12%

SSC

[MSBSHSE](#) | 2022

- 72 / 100 (%)

PROJECTS

Student Management System

- Python, Tkinter, MySQL

Grocery Store Management System

- HTML, CSS, PHP, MySQL

PYINSTA

<https://pyinsta-n2ye.onrender.com>

- Python, Flask, MongoDB

SUMMARY

Computer Engineering student with a Diploma in Computer Engineering and practical experience in software development, web development, and programming instruction. Proficient in Python, C, C++, SQL, Flask, HTML, CSS, MySQL, and MongoDB. Currently serving as a Part-Time Computer Instructor while pursuing a B.E. in Computer Engineering. Seeking an ISRO apprenticeship to apply engineering knowledge, strengthen practical skills, and contribute with dedication and continuous learning.

SKILLS

Programming

Python, C, C++, SQL

Web

HTML, CSS, PHP, Flask

Databases

MySQL, MongoDB

Tools

VS Code, GitHub, MySQL Workbench, MongoDB Compass

CERTIFICATIONS

- IBM Machine Learning with Python (IBM)
- IBM Python 101 for Data Science (IBM)
- Computer Hardware & Networking
- C programming
- C++ programming
- Python Full-Stack Development
